

Pelham Elementary School District

Pelham Before School Program 2017-2018

Dear Pelham Parent/Guardian,

During the Before School Program hours from 7:00 a.m.-8:00 a.m., there is no nursing staff on-site. In order to ensure we have relevant and current medical and educational information for your child, we request that complete and return this form.

If you have medical concerns regarding your child, please complete this form so that the Before School staff are aware of your child’s medical/educational needs. This information is confidential and will only be shared with other staff on a “Need to Know” basis.

ANY SPECIAL CONCERNS :

Child’s name: _____

Grade _____

Food allergies: _____

Environmental allergies: _____

Medication allergies: _____

Chronic health issues: _____

Emergency Contact Information: Please complete the reverse side of this form.

Medications available to trained staff: _____

****If your child has an inhaler and/or Epi Pen, you may leave one with the Before School staff in case of an emergency. If your child attends the After School program, please confirm with Lennie Ware that you are opting to have the inhaler/Epi Pen available to Before School. Students MUST be able to self-administer inhalers. You **must** have your child’s physician complete the **Medication Order** paperwork to keep medication on-site in order for a child to self-administer. Let the staff know if you need this form.**
