Matt will contact Lisa C. to send out emails and flyers for volunteers to help with the events such as photo booth, obstacle course, food, arts and crafts, music room. Matt would like to purchase/donate a blow-up obstacle course for the PTO to use at various functions. PTO will help support the cost of hiring a custodian if one is needed on FFN.

3- Calendar Raffle- Lisa C. has sent out letters to community members and businesses. Not many people have donated compared to last year. Erin L. and Crystal W. will help to call community members and businesses to follow up on donations.

4- Many Hands Farm- Ryan, the owner at Many Hands Farm would like for the PTO to help him to sell farm shares. He would donate \$50 for every share sold by the PTO. PTO members agreed that we were not comfortable asking school community members to buy farm shares, however, we would like to work with the farm to help promote them. Possibly do a Pelham "open house" farm field trip?

5- Textile Recycling- Changes have been made to the rules. We need 3000 lbs of goods to receive payment. We will keep the pod for two weeks. "Start Saving" flyers will be handed out soon, and they can be passed out on the town's recycling day.

6- Electronics Recycling- Should be held May 9th, the day of the Pelham town recycling.

7- Teacher Luncheon Date- Lisa D. will come up with a date. We will want to get extra coverage for recess/lunch for the children like we did last year.
