5. Spring Fair- Date set for May 3. Try to get UMass volunteers. Might be a good idea to sell wristbands instead of tickets, and selling tickets for food, rather than having another person handle the food table money. Look into getting a dunk tank from Taylor rental for teachers and staff to get dunked. Jessica will send out letters for donations.

6. Principal's Report- Parents should look out for information regarding the Regionalization. Lisa D. will put info out in the Pelham Press about meetings/forums for parents to attend. The school purchased new Second Step and Bullying Prevention materials.

7. Monica B. checked on our account for Labels for Education. Carol Wilson is listed as our coordinator. We could start collecting these labels to receive goods from the Labels for Education website.
