2. Fair Recap: Jess suggested two ponies next year. We sold out of veggie burgers early on. Make sure next year has a first aid kit and all volunteers are CORI checked. Possibly use a different ticket system, like using tickets as currency. Try to get older kids to come.
3. Library Donation: In years past, school budget gave library \$2,500. We will try to come up with a way to help funding for new books.
4. Teacher Appreciation Luncheon: May 28th 11:45-12:45 Lisa C. and Amie W. are coordinating. Amie W. will get invitations out. Lisa D. arranged for volunteers to cover for the teachers and staff. Andrea A. will put together teacher gifts.
5. Courtyard: Matt W. would like to clean up and rearrange the courtyard between the school and the library. PTO will be willing to help pay for picnic tables and umbrellas. Matt W. will research prices.
6. Spring Officer Election: We will go out to eat for the final meeting in June, and elect officers that day. June 9.
7. Principal's Report: At the town meeting, there were no refreshments, which are usually sold there by the 6th grade. Would be nice to keep that tradition going, and it's a good way to raise funds.  
The PTO will be willing to purchase a sun shade for the preschool play yard.  
Lisa D. will bring answers to the survey questions to the June meeting.
