LAST DAY OF SCHOOL- Early Release at 1:20

FIRST DAY OF SCHOOL

Dear Pelham School Families,

Thanks so much for another wonderful year here at Pelham School! I am so honored and thankful to be a part of such a wonderful and caring school environment. The Pelham School teachers and staff are a dedicated and compassionate community that demonstrate daily a high level of expectations in teaching and supporting our students. However, without the support of families, we couldn't have the level of success that your children experience. Our partnership together in supporting your children's learning experiences and needs is critical to a successful and positive school experience.

Thank you to everyone who helped to make the sixth grade graduation such a success, from helping to set up, and coming to be a part of the celebration. Seeing so many faces of students, families, and staff there last night demonstrated the kind of caring community that we have here.

I hope you all find some time this summer to rest and rejuvenate, and to make your own fun. Please keep in touch to let me know any news that you'd like me to know and I will be checking my email throughout the summer. I will be at the school most of the summer as well if you'd like to stop by.

Have a safe, happy, and fun-filled summer!

*Sincerely,
Lisa Desjarlais*
